Our association promotes quality and not quantity, so it brings together a premium audience.

Apart from the involvement of the Georgian Design & Artists Association in projects funded by the European Commission, we analyzed the possibility of organizing a show with Romanian artists in 2019. If you want to make a partnership with our organization in the performance of this concert, we are waiting for you.

This show is intended to be a concert, performed in the form of a fusion of Romanian pop music with the Latin one, with the help of musical instruments, orchestras and a conductor.

The story will continue with our artists and viewers!
