### Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	<i>Interdisciplinary and literature</i>
Description or summary of the proposed project	<p><i>Jasa association is a non-profit, volunteer NGO, with 25 years of work experience (it is private, with the status of beneficial working in public interest). Active in the field of culture and sustainable development. A small publishing house that publishes art books on the topics &amp; challenges of modern society. Within this project, Jasa would like to open a small bookstore-cafe in Slovenia, where only good books (eye-opening &amp; enlightened books) would be available for the people and where it is possible to organize different literary events and workshops. Another idea is to dramatize or animate one of Jasa's books or to publish a new multilingual art book on a current topic.</i></p> <p><i>Of course, we can also be involved in all other activities: artistic production (especially writing and painting), conduction of various courses and workshops, promotion and dissemination ...</i></p> <p><i>Unfortunately, we will not be writing the project ourselves, as we are a small group and are currently involved in other activities - but we can be a strong and reliable support member in preparing the application and implementing the project (we have valuable experience of participating in EU projects).</i></p> <p><i>Contact: <a href="mailto:jasa@onezimosvet.si">jasa@onezimosvet.si</a></i></p> <p><i>web: <a href="http://www.onezimosvet.si/international-cooperation">http://www.onezimosvet.si/international-cooperation</a></i></p>
