Role of the organisation in the project	<i>architect innovator</i>
Previous EU grants received	<i>FP5-FP7 &amp; H2020 Projects (PETUS, MESSIB, CHESS-SETUP) and COST Actions (1994-2022)</i>

### Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	<i>CREA-CULT-2022-COOP-1/2/3 project proposals</i>
Description or summary of the proposed project	<i>Construction works are local, to save material transport costs, today 30+%, and, consequently, zero emission building construction works require consecutive and repeating local learn to deliver processes, by local experts teams, and by co-creating local communities.  Emporium (=market place) requires the development of a digital environment to facilitate and support local Emporium exploration and implementation processes, and a business model such as an Energy Service Company (ESCO) to manage the Emporium investments.  Citizens may be involved by an interactive map, where they are able to promote or support the implementation of an Emporium social housing street for example, by addressing locations in the public space or in their neighbourhood.</i>
Partners currently involved	<i>Looking for a consortium to participate as a partner</i>

in the project
