### Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	<i>Performing arts/Arts and technology</i>
Description or summary of the proposed project	In collaboration with theatre ensembles from across Europe we want to experiment with the creation and co-production of theatrical plays with the inclusion of technology and the adaptation of a suitable streaming platform. We aim to approach all groups and audiences, especially for professionals and participants with disadvantaged backgrounds and fewer opportunities related to disability or health problems, economic, social or geographical obstacles or cultural differences. Parallel to theatrical productions we aim to produce an e-learning program which will include masterclasses, workbooks, videos and training that will ensure the inclusion of crossing age and genders.
