### Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	Cultural heritage; arts and technology; education; innovations
-----------------	--

Description or summary of the proposed project	<p>The project will be aimed at the emotional and mental recovery of one of the most vulnerable groups of the society – displaced children and youth of Ukraine.</p> <p>We will contribute to the project with our extensive expertise in working with internally displaced youth of Ukraine, Ukrainian culture and innovations. Due to our experience, we are aware of the real needs of different communities and know the mechanisms for people`s emotional recovery and integration into a new environment through culture.</p> <p>Thus, we focus on the project`s objective “help Ukrainians displaced by the war, in particular children, in Ukraine or Creative Europe participating countries, have access to culture and/or facilitate their integration into their new communities through culture”.</p> <p>We are looking for partners with experience in culture, innovations and overcoming the consequences of war. The partner would preferably complement our expertise with experience in organising cascade granting.</p>
