For Creative Europe project applications

Call	<i>European Cooperation Projects</i>
Strand or category	<i>Small Scale Cooperation Projects</i>

### Cultural operator – who are you?

Name of organisation	MOZI
Country	<i>POLAND</i>
Organisation website	<i>https://www.facebook.com/Mozi.gdynia</i>
Contact person	<i>Monika Gradzik</i>
Organisation type	<i>non-governmental organisation</i>
Scale of the organization	<i>5</i>
PIC number	<i>883403348</i>
Aims and activities of the organisation	<p>We operate in the field of artistic education, culture animation, organization of cultural events and taking care of aesthetics of public space. Our mission is to create conditions for the development of young people, adults, students and professionals. We share our experience and knowledge as a part of training, during which participants can develop their talents and passions in a friendly atmosphere. We support young instructors by organizing lectures, meetings and workshops with experts. By organizing festivals and art interventions in public spaces, we promote good design practices.</p> <p>We have a creative space, located a hundred meters from the beach, where we combine design, art and craft. Here, we implement our own projects and share our knowledge and skills during workshops in profiled studios: carpentry, CNC, 3D printing, screen printing, ceramics and small casting foundry. In our gallery we organize exhibitions and cultural events. We have also a place for permanent residents, who we help to create and implement their first collections and small production lines.</p>
Role of the organisation in the project	<i>project leader</i>
Previous EU grants received	

### Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	<i>Arts and design</i>
Description or summary of the proposed project	<p>We are looking for artis, designers and art gallerys or exhibitions spaces for to implement the concept that will promote both, regional culture of Pomerania and the Kashubian region in Poland. For this purpose, we are searching for partners from 3 European countries. The task is to design and develop the collection of ceramics that will be created by collaboration of various artists. The ceramic experience of designers <u>is not necessary</u>. Artist and designers should representing different artistic fields, like sculptors, graphics, illustrators, ceramicists and pattern makers.</p>

	Our goal is to support the activity of artists, popularization of their work on the European stage and transnational cooperation which purpose is to increase european dimension of artistic and creative process. Another important aim is to help european creative and cultural sectors in the full usage of new technologies that will increase their competitiveness and accelerate their digital transformation.
