

CULTURE MOVES EUROPE

Culture Moves Europe provides mobility grants for artists and cultural professionals in all 40 Creative Europe countries.

It is funded by the European Union and implemented by the Goethe-Institut.

The scheme consists of two action lines: Individual Mobility and Residencies.

Specific measures are taken to encourage green mobility and ensure access for everyone active in the cultural and creative field.

Creative Europe Push Boundaries

Individual Mobility

This call supports artists and cultural professionals who want to carry out a project with a partner of their choice, in a Creative Europe country which is not their country of residence.

The project should pursue one of the following goals:

- » **to create:** to co-create or co-develop art with artists or cultural professionals from other countries
- » **to learn:** to participate in non-formal learning
- » **to connect:** to develop or deepen international professional relationships

The Call for Individual Mobility is open to people who are:

- **legal residents of a Creative Europe country:**
this includes the 27 EU countries and their Outermost Regions and Overseas Countries and Territories; Albania, Armenia, Bosnia-Herzegovina, Georgia, Iceland, Kosovo, Liechtenstein, Montenegro, North-Macedonia, Norway, Serbia, Tunisia and Ukraine.
- **artists or cultural professionals in one of the sectors covered by Culture Moves Europe:**
architecture, cultural heritage, design and fashion design, literary translation, music, performing arts, and visual arts.

Applicants must have an **international partner** when applying. This can be, for example, a fellow artist, an organisation or a venue in the destination country. Participants are free to decide.

It is possible to apply either as an **individual person** or a **group** of up to five people.

The mobility can last:

- from **7 to 60 days** (for individuals)
