Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	<i>Creative sector</i>
Description or summary of the proposed project	We created a bilingual (Ukrainian and English) magazine, MUZVAR, about the Ukrainian music industry as part of the pan-European music industry.

	<p>The project pays special attention to...</p> <ul style="list-style-type: none"> - inclusion by providing each material (photos, texts, illustrations, symbols) with a professional voiceover, which its authors or heroes will perform; - cross-border multilingualism through voiceover (Ukrainian and the languages of the project member countries) and bilingualism (Ukrainian and English) through print; - sustainability - layering of information and digital services on each page through the "bank of memories" application; - gender and legal equality - balance and tolerance regarding gender, social status, and sexual orientation. <p>The magazine should become the first interactive guide about modern Ukrainian musical culture, which is qualitatively integrated into the European market and vice versa.</p> <p>The project is currently seeking partnerships with concert agencies, publishers, concert venues, recording studios, and other relevant entities.</p>
