Aims and activities of the organisation	Ameba Production is a Czech event agency specializing in music. Its flagship event, Rock for People, is a multi-genre festival that drew over 40,000 attendees in 2024. Beyond the festival, Ameba Production hosts more than 20 concerts each year, primarily in Prague. The agency is dedicated to blending music with other art forms while strongly emphasizing sustainability.
Role of the organisation in the project (leader / partner)	Project partner
Previous EU grants received	None

Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	Music, performing arts, digital arts, arts and technology, sustainable tourism
Description or summary of the proposed project	Our goal is to elevate the festival experience by integrating digital art that enhances the overall atmosphere. We aim to collaborate with digital artists and art institutions across Europe to create unique digital designs that can be showcased at partner events. However, we are open to any project we consider of interest to performing arts, digital arts, sustainability and culture overall.

Projects searched – are you interested in participating in other EU projects as a partner?

Yes / no	Yes
----------	-----

Which kind of projects are you looking for?	We are interested in projects that promote social responsibility, whether it is sustainable tourism in connection with cultural events, alternative energy sources (our festival was the first to feature a hydrogen-powered stage), or initiatives focused on clean mobility. As a festival that serves as a showcase for technology and innovation, we are always looking for new ways to push boundaries in sustainability.
