Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	*Cultural heritage, museology*
Description or summary of the proposed project	*This is not a defined project proposal, but an initial conceptual idea for future development within the Museum of the City of Pazin. It focuses on the contemporary reinterpretation of museum practices through applied research methodologies, particularly fieldwork and interviews as key tools for collecting and understanding cultural narratives. The concept explores the cultural history of Pazin and the wider Pazin region, while*

* By answering "yes" you confirm that the information provided can be shared publicly by the Creative Europe Desks in the countries participating in the Creative Europe programme, in order to support your search for partners.

	connecting local stories with broader global trends and contemporary challenges. It aims to develop innovative approaches to audience engagement, combining museum collections, storytelling, and participatory methods, with a strong focus on inclusion and accessibility for diverse audiences, including children, youth, and underrepresented groups.
